WELCOME!

We are pleased that you have chosen the Oak Park Conservatory as a place to volunteer your valuable time. We hope that you will find your experience fun, interesting and rewarding. Perhaps the greatest rewards many of us have found are the relationships that we have developed with one another and the knowledge that we are an essential part of supporting such a beautiful and historic community asset—the Oak Park Conservatory.

The purpose of the Volunteer handbook is to provide you with information about the Conservatory facilities, the Park District of Oak Park, and the Friends of the Oak Park Conservatory (FOPCON). We have also included policies and procedures and other information that may be useful to you in your volunteer service.

Please let us know what we can do to make your volunteer experience more rewarding. Your suggestions and comments are always welcome!

POLICIES

NONDISCRIMINATION AND HARASSMENT

The Park District of Oak Park and The Friends of the Oak Park Conservatory are committed to a work environment in which all individuals are treated with respect and dignity. We expect that all relationships will be businesslike and free of bias, prejudice and harassment. It is the responsibility of each and every employee, officer, official, park commissioner, agent, volunteer, and vendor, as well as anyone using the this facility, to refrain from sexual and other harassment. Actions, words, jokes, or comments (whether directed at you or another individual) which have the effect of creating a hostile or intimidating environment, should be immediately reported to the Director of the Conservatory or to FOPCON's Executive Director.

PERSONAL USE OF PDOP OR FOPCON PROPERTY

Equipment, such as tillers, snow blowers, telephones, postage, facsimile and copier machines, is intended for business purposes. No employee, contractor, elected official, volunteer or member of the public may use Park District or FOPCON property for personal use.

ELECTRONIC COMMUNICATION POLICY

Communication systems (telephone, voicemail, and internet) are provided by the Park District of Oak Park and the Friends of the Oak Park Conservatory for business activities and may not be used for personal, political, commercial, inappropriate, or illegal purposes. Any electronic communication may be considered a "public record" and thus may be subject to inspection and copying pursuant to the Illinois Freedom of Information Act. Every communication also may be subject to disclosure in a lawsuit involving the Park District. Downloading data, information, e-mail attachments, and the like from an outside source increases the risks of viruses and other damaging agents to computers. You should not retrieve material from outside sources, particularly from sources not known to you.

FERTILIZERS AND PESTICIDES

Fertilizers and pesticides may be used periodically. **OBEY THE SIGNS.** When pesticides are used, dates and times are listed for acceptable re-entry times. Material Safety Data Sheets (MSDS) for chemicals used on site (and the protocol for handling spills) are available for review.
